

Focused Observation Log

Teacher: Tina		Coach: Brenda	
Date: 01-15-14	Time spent preparing: 2 hours		Time spent in observation: 2 hours
Time for reflection and feedback: 1 hour		Time spent in follow up: 1 hour	
Focus: Identify the goal/step of the action plan on which you will focus. For example: Goal: I will ask more open-ended questions.			
What I observed: Number of open-ended questions tally Number of questions asked through the observation tally: Examples of open-ended questions: Length of each interaction Child's response is longer or adds complexity.		What I want to share: Share Variety of questions with examples: Child conversation extended through the use of open-ended how and why questions. Previously met goals observed during this observation.
